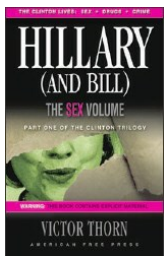
New Book the Only Accurate Expose of Hillary and Bill;



Finally: The Real Story Behind Their Rise Power

By Michael Collins Piper

Very few folks are indifferent to Hillary Clinton and her husband Bill. And now she's seeking to take back the White House for America's most loved (and most hated) power couple.

Those who read Victor Thorn's fact-filled new 338-page book, *Hillary (and Bill)*, will get a lot of information all in one place that raises serious questions about this dynamic (some would say "deadly") duo.

But what's so amazing is that this is just the first volume in an exciting three-volume series, the latter two now being readied for publication.

However, *Hillary (and Bill)*—standing alone—says an awful lot about the two, alone and together. And the word "awful" is applicable when you consider some of the revelations about the life—and crimes—of Hillary (and Bill) outlined here.

If no other book was ever published about the Clintons, this book—one would hope—would (if read by enough people) deny either of them entry to the White House (under any circumstances) ever again.

Some "conservative" writers have cranked out books attacking Hillary, but they consistently miss the big picture, boxed in by their own Republican bias, unable to grasp the fact that Hillary (and Bill) are very much a part of the establishment elite and tied in directly to many of the sneaky backstage intrigues of the bipartisan New World Order.

Provocative secrets about the background of both Hillary (and Bill) revealed in this work suggest that Bill's family is worse than many suspected and that Hillary's Rodham family is not quite as squeaky clean as Hillary might suggest. (And whether Bill's "father" was his father is another question that Thorn addresses with candid analysis.)

Thorn makes it abundantly clear that Bill and Hillary have been groomed for power going back to college and their days at Yale Law School—harking to the behind-the-scenes patronage both have received for reasons obvious to those who dare to tackle Thorn's eye-opening work. The longtime ties of Hillary (and Bill) to the intelligence community have been little noted, but Thorn dares to focus on this important aspect of the Clintons' rise to power.

Yes, Hillary (and Bill) are radicals and Hillary's feminism and devotion to leftist causes are real, but there's a lot more to the story of the Clintons and their ties to the power elite that many people don't seem to understand. But Thorn explains it—and explains it well.

And if you expect lurid details about Bill's womanizing and evidence Hillary not only tolerated it but helped cover it up, really in many ways enabling it, Thorn has summarized it all, including new revelations surrounding the Paula Jones and Monica Lewinsky affairs.

This is a lively and well-written (even riveting) book covering a sordid—but still fascinating—record, a dual biography that also serves, uniquely, as a "secret history" of many events of recent times. There's no question but that this is the only accurate and complete expose of this dangerous team.

Referenced with nearly 1,400 footnotes, a complete index, and a bibliography with over 200 sources, Hillary (and Bill) is the best all-around reference source on Hillary (and Bill) today. And remember: it's just the first in a series.

This book is at the printer now. Readers may take advantage of an advance order price of $25. The price after Feb. 1 will be $30. Use the coupon on page 16 [Editor's Note: Please see the order form reproduced at the very end of this web page].

Michael Collins Piper can be heard every week day night live on the Internet at republicbroadcasting.org. He is the author of ***Final Judgment***, the controversial "underground bestseller" documenting the collaboration of Israeli intelligence in the assassination of John F. Kennedy. He is also the author of ***The High Priests of War***, ***The New Jerusalem: Zionist Power in America*** , ***The Judas Goats***, and ***Dirty Secrets: Crime, Conspiracy & Cover-Up in the 20th Century.*** All are available from America First Books and First Amendment Books: 1-888-699-news. He has lectured on suppressed topics in places as diverse as Malaysia, Japan, Canada, Russia and Abu Dhabi.
